# VIDHI SCIENTIFIC COMPANY

## “Premium Laboratory Glassware Collection”

### Why Choose Our Glassware?

At Vidhi Scientific Company, we offer a wide range of **high-quality, heat-resistant borosilicate glassware** designed for accurate results and long-term durability in laboratory environments. From academic labs to industrial research, our products meet the highest standards of precision and safety.

### Our Glassware Range Includes:

- \* **Beakers** – Low & tall form with easy-pour spouts
- \* **Flasks** – Erlenmeyer, Volumetric, and Boiling flasks
- \* **Pipettes** – Volumetric, Graduated, Class A & B certified
- \* **Measuring Cylinders** – Clear graduation, stable base
- \* **Burettes** – PTFE Stopcock options with accurate flow control
- \* **Desiccators, Funnels, Watch Glass, Test Tubes**, and more...

### Key Features:

- \* Made from **Borosilicate 3.3 Glass**
- \* Thermal shock and chemical resistant
- \* Calibrated to ISO / ASTM / DIN Standards
- \* Individual or bulk packaging available
- \* Custom branding & certification on request

Silica Gel  
Syringe Filter  
Filter Paper  
Forceps

## ALSO AVAILABLE

- ELECTRONIC BALANCES
- MICROLITERS SYRINGES
- PH METER
- FILTER PAPER
- TEST SIEVES
- HANDGLOVES
- SILION OIL

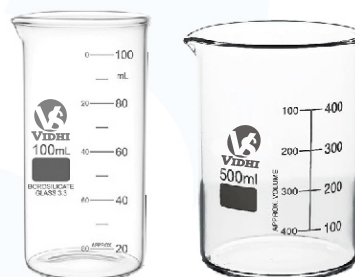

## ADAPTER

Adapter Expansion  
 Adapter Multiple Two Parallel Neck  
 Adapter Multiple  
 Adapter Reduction  
 Adapter Receiver, Bend with Vent  
 Adapters, Drying Tube  
 Adapters Receiver Multiple  
 Adapter Receiver

## BEAKER

Beaker Low Form With Spout  
 Beaker Low Form Without Spout  
 Beaker Tall Form With Spout  
 Beaker Tall Form Without Spout

## BOTTLE

Bottle Reagent Amber With Screw Cap  
 Bottles Reagent Clear With Screw Cap  
 Reagent Bottle Narrow Mouth With I/C Stopper  
 Bottle Gas Washing  
 Bottle Weighing Clear  
 Bottle Dropping  
 Bottle Aspirator With GL 45 With Socket  
 Pycnometer to Gay Calibrated Class A  
 BOD Bottles

## BURETTE

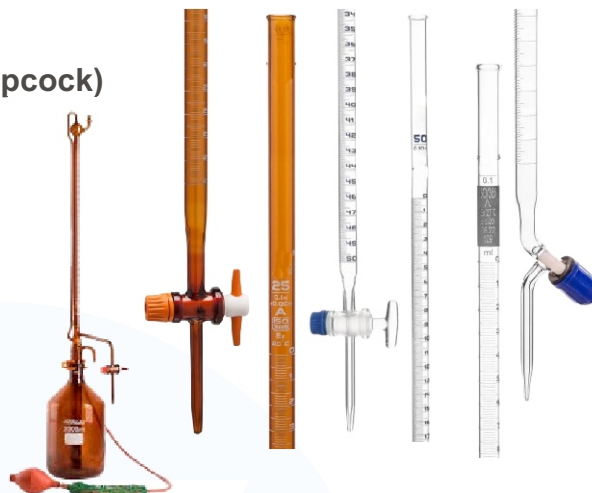

Burettes PTFE Needle Valve (Rotaflow Stopcock)

Burettes with Glass Stopcock

Amber Burette With PTFE Needle

Automatic Burette

Amber Automatic Burette

## CONDENSER

Condenser Coil

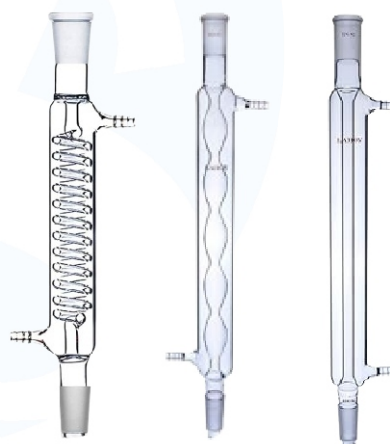

Condenser Allihn

Condenser Liebig

Condenser Dimroth For Soxlet Apparatus

Condenser Allihn For Soxlet Extractor

Condenser Double Surface

## COLUMNS

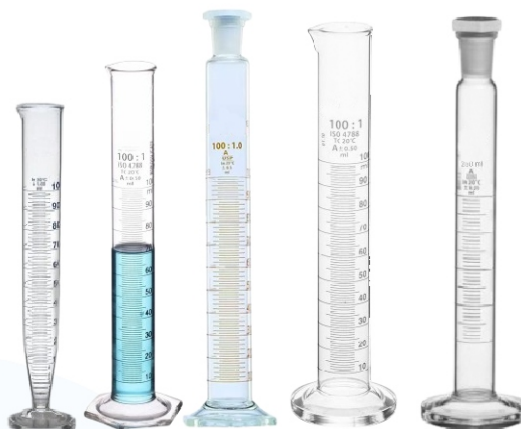

Chromatography Columns with PTFE key Stopcock

Vigrex Column

## CYLINDER

Measuring Cylinder with Hexa Base  
 Mixing Cylinder With Hexagonal Base  
 Measuring Cylinder with Round Base  
 Mixing Measuring Cylinder With Round Base  
 Crow Receiver  
 Nessler Cylinder

## DISHES

Crystal Dish With Spout  
 Crystal Dish Without Spout  
 Dishes, Evaporating  
 Petri Dish

## FLASKS

Erlenmeyer Flask Narrow Mouth  
 Erlenmeyer Flask With Joint  
 Amber Erlenmeyer Flask Narrow Mouth  
 Erlenmeyer Flask Wide Mouth  
 Flask Flat Bottom  
 Flask Flat Bottom with Joint  
 Flask Round Bottom  
 Flask Round Bottom with Joint  
 Flask Filter  
 Flask Iodine  
 Flask, Kjeldahl Without Joint

## VOLUMETRIC FLASK

Volumetric Flask Class A

Amber Volumetric Flask Class A

Flask Volumetric Sugar Estimation Without Stopper

Volumetric Trapezoidal Flask Clear Glass

## FUNNEL

Funnel, Long stem

Funnels, Buchner, with sintered disc

Funnel, Powder With Cone

Funnel, Powder

Separating Funnel, Squibb shape

With Rotaflow Stopcock,

Dropping Funnel Cylindrical

With Glass Stopcock

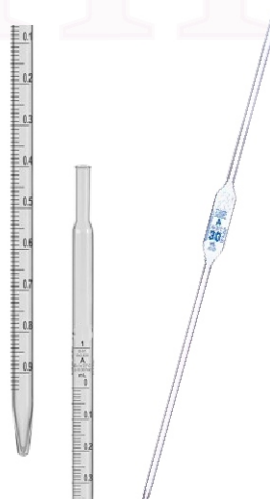

## PIPETTES

Volumetric Pipettes, 1 mark

Amber Colour Volumetric Pipettes, 1 mark

Amber Erlenmeyer Flask Narrow Mouth

Graduated Pipettes Type 3 (Serological)

## TEST TUBE

Test Tube, Plain

Test Tube Graduated

Centrifuge Tubes, Conical Bottom Graduated

Test Tube, Re-usable, With Rim

Tubes Culture Round Bottom

**FILTRATION ASSEMBLY SET**

**VLE APPARATUS**

## DISTILLATION UNIT

## REACTION DISTILLATION

# VIDHI SCIENTIFIC COMPANY

## “Trusted Name in Laboratory Technology”

### Cooling Equipments

We provide advanced cooling solutions for laboratories, research centers, and industries. Our equipment ensures controlled low-temperature environments for sample preservation, stability testing, and sensitive experiments.

### Heating Equipments

Our heating range is engineered for precise temperature control and consistent thermal performance across various lab operations, ensuring dependable results in analytical and quality control testing.

### General Laboratory Equipments

We offer a complete suite of laboratory instruments, essential for daily operations in academic, pharmaceutical, chemical, and R&D laboratories.
